# INTERNSHIP

## LONG -TERM PAID INTERNSHIP PROGRAMME

### THE PROGRAMME

Your future is important to us, even at the earliest stages. Our long-term paid internship is a demanding yet rewarding course of learning and hands on experience. It's also a great opportunity to get a taste for global real estate and see whether our industry is right for you. Excel, and you could be offered a place on our graduate scheme at the end.

### ELIGIBILITY

To apply, you must be in your **penultimate year of Master study** with good knowledge of English. Whatever your study programme, whatever your background, one thing is certain - you must be ready to learn and eager to get involved in as much as possible. We are looking for ambitious, hard-working, friendly and curious student, who's goal is to find a permanent job position with the possibility of career growth after completing the internship.

### WHAT TO EXPECT

During the internship you'll learn from professionals, and work on live projects. You'll be responsible to help your colleagues with wide range of daily tasks. With the help of your superiors, you will be led to work independently on tasks such as:

- adding content to a website
- updating the databases - Excel
- preparation of PowerPoint templates and presentations
- preparation of financial comparisons - Excel
- personal meeting with clients

During the intership you will:

- gain invaluable work experience in a global corporate company
- get a comprehensive overview of commercial real estate and market development
- improve your PC and language skills
